Dear Mr. Sanchez

Ted Lee owner of the property located at the corner of Lockhill-Selma and Dreamland through his legal representative Brown & Ortiz, P.C. has filed an application with the city of San Antonio to change the zoning to allow for higher residential density.

As property owners within 200 feet of Mr. Lee's property, we oppose the rezoning of his property from R-20 to R-6.

We appreciate your attention to this request.

Sincerely,

Oscar G. Galvan
